In an enchanted, secret Cabbage Patch, busy little BunnyBees buzz about lovingly sprinkling budding cabbages with magical crystals that turn them into Cabbage Patch Kids.

A new harvest of Kids has just arrived at Babyland General Hospital, along with their new found friends, the 'Koosas. These cuddly little creatures were cared for by the Kids when they lost their home in Wykoosa Valley during the big flood.

Won't you give a home to a Cabbage Patch Kid, Preemie or 'Koosa and fill a little heart with love?

A Save \$2 on your Cabbage Patch Kid™ "adoption fee" when you purchase our 12-pc. wardrobe (E), sold separately below. Won't you fulfill the dream of a Cabbage Patch Kid by giving him or her a special place in your heart and home?

When you send in your "adoption fee," specify your preference for a black or white, boy or girl. The folks at Babyland General® Hospital will select and send along just the right Kid™, an authentic birth certificate, personality profile and official adoption papers.

Each cuddly little toddler is 16 inches tall with molded vinyl head (most have rooted yarn hair, some have none), soft-sculptured fabric body, 10 chubby fingers and toes, dimpled elbows and knees, a belly button and authentic Xavier Roberts® signature birthmark on its bottom. Each is dressed in special toddler clothes, shoes and disposable diaper.

Mail in adoption papers to Babyland General® Certification Center and receive a congratulatory note . . . and one year later, a birthday card! Ages 3 and up.
