The Legend of the *CABBAGE PATCH KIDS*®

BABYLAND™ 'KIDS™

PREEMIES®

TODDLER KIDS™

HASBRO IS PROUD TO BRING YOU . . .
THE LEGEND OF THE CABBAGE PATCH KIDS®

Imagine an enchanted Cabbage Patch, a place where dreams really do come true, and everyone stays just as young as he or she cares to.

There is such a place, and it's there that Xavier Roberts first discovered the CABBAGE PATCH KIDS®. He took them in, and everyone quickly became friends. Before long, there were so many that Xavier had to open BABYLAND GENERAL® HOSPITAL and train a special staff to help deliver and care for them. But the 'KIDS™ had so much love to give that BABYLAND GENERAL® simply couldn't hold it all, and Xavier decided to put some 'KIDS™ up for adoption.

The CABBAGE PATCH KIDS® all have their own names, expressions and personalities. Each comes with an official Birth Certificate and an application for adoption.

And the enchanted Cabbage Patch? It's still there today! BABYLAND GENERAL® HOSPITAL is located north of Atlanta

in the small community of Cleveland, Georgia. Stop by when you're in the area; the 'KIDS™ love visitors.

The CABBAGE PATCH KIDS® . . . all they want is a little love and affection, and to be adopted into a welcoming home!

ONE-OF-A-KIND 'KIDS™

Besides having a unique name and personality, each CABBAGE PATCH KID® has a special look that sets him or her apart from all others. Facial expressions, hair colors, hair styles and eye colors are combined in a variety of ways, so that the Cabbage Patch is filled with thousands of different 'KIDS™, all waiting to be adopted by loving children.

To add to the individuality of CABBAGE PATCH KIDS®, there are several clothing styles in each assortment, and each style comes in many different colors or prints.

For children, choosing CABBAGE PATCH KIDS® to adopt into their homes is an exciting beginning to lots of fun and imaginative adventures.

SIPPIN' BABIES™

Ages: 3 & Up

There's a special surprise waiting for children when they care for SIPPIN' BABIES™! They're baby powder scented and have special features to make playing with them lots of fun. When children feed their babies, they hear real gurgling sounds. After feeding, they pat babies' backs to hear cute-sounding burps. Each 14" SIPPIN' BABY™ has a baby bottle with liquid that disappears each time a child turns the bottle upside down.
