

COLECO 1986

Where
The Stars Are.

CABBAGE PATCH KIDS® PREEMIE!™

Your wishes will come true in '86 when you wish upon these stars — they're the adorable PREEMIES that thrilled kids in '85. The 14" younger version of the famous original CABBAGE PATCH KIDS is absolutely irresistible. With its cute, unique face, soft body, and dimpled knees and elbows, the PREEMIE is just asking to be held. Xavier Roberts' signature appears on each one, but you'll have to peek underneath the quality, highly detailed outfits to find it.

Just as with the original CABBAGE PATCH KIDS, being a "parent" to a PREEMIE means getting special adoption papers, a birth certificate, and being asked to join the Parents' Association.

We've given our PREEMIES the kind of special love and attention they need. You can tell because in '86 they'll put stars in your eyes!

CABBAGE PATCH KIDS® 'KOOSAS®

If rainbows are a sign of good things ahead, there must have been a very big one shining after the great flood in the WYKOOSA VALLEY®. You see, that's when Colonel Casey®, the kindly old stork, rescued the 'KOOSAS from the rising flood waters and brought them to live in the Cabbage Patch with the CABBAGE PATCH KIDS. There have been good things happening to the 'KOOSAS ever since, especially in '85, when they became the 3rd best-selling toy in the industry.*

'KOOSAS bring good luck to people. You'll feel lucky, too, just holding them, because they're so soft and huggable. Their collars enable kids to attach their 'KOOSAS' special names. The 'KOOSAS are a rare breed, and they've got special 'KOOSAS Kennel Association Papers to prove it.

So next time you see a rainbow, think of the 'KOOSAS — they can bring good luck to you.
